Tumors Conquered Without Operations

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in Cases of Mrs. Fox and Miss Adams.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor.

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by excessive menstruation accompanied by unusual pain extending from the ovaries down the groin and thighs.

If you have mysterious pains, if there are indications of inflammation ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation; secure Lydia E. Pinkham's Vegetable Compound right away and begin its use and write Mrs. Pinkham of Lynn, Mass., for advice.

Read these strong letters from grateful women who have been cured:

Dear Mrs. Pinkham:— (First Letter.) "In looking over your book I see that your medicine cures Tumor of the Uterus. I have been to a doctor and he tells me I have a tumor. I will be more than grateful if you can help me, as I do so dread an operation."

—Fannie D. Fox, 7 Chestnut St., Bradford, Pa.

Dear Mrs. Pinkham:— (Second Letter.) "I take the liberty to congratulate you on the success I have had with your wonderful medicine."

"Eighteen months ago my monthlies stopped. Shortly after I felt so badly I submitted to a thorough examination by a physician, and was told that I had a tumor on the uterus and would have to undergo an operation."

"Soon after read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed, the tumor is entirely gone. I have again been examined."

by the physician and he says I have no sign of a tumor now. It has also brought my monthlies around once more; and I am entirely well. I shall never be without a bottle of Lydia Pinkham's Vegetable Compound in the house."

—Fannie D. Fox, Bradford, Pa.

Another Case of Tumor Cured by Lydia E. Pinkham's Vegetable Compound.

Dear Mrs. Pinkham:— "About three years ago I had intense pain in my stomach, with cramps and raging headaches. The doctor prescribed for me, but finding that I did not get any better he examined me and, to my surprise, declared I had a tumor in the uterus."

"I felt sure that it meant my death warrant, and was very disheartened. I spent hundreds of dollars in doctoring, but the tumor kept growing, till the doctor said that nothing but an operation would save me. Fortunately I corresponded with my aunt in the New England States, who advised me to try Lydia E. Pinkham's Vegetable Compound before submitting to an operation, and I at once started taking a regular treatment, finding to my great relief that my general health began to improve, and after three months I noticed that the tumor had reduced in size. I kept on taking the Compound, and in ten months it had entirely disappeared without an operation, and using no medicine but Lydia E. Pinkham's Vegetable Compound, and would fail to express how grateful I am for the good it has done me."

—Miss Luella Adams, Colman Hotel, Seattle, Wash.

Such unquestionable testimony proves the value of Lydia E. Pinkham's Vegetable Compound, and should give confidence and hope to every sick woman.

Mrs. Pinkham invites all ailing women to write to her at Lynn, Mass., for advice.

of the former county and Mr. Barber of the latter county, were in the city yesterday and spoke of the active work being done by their people toward making a creditable exhibit. Major Tench makes no secret of the fact that Alachua expects to capture the first county prize, and Mr. Barber, while he is not making any claims, says that Baker will be somewhere near the top.—Tampa Tribune, 10th.

Mrs. Edith Hunter, accompanied by her daughter, Miss Edith, and son, Will, were in the city yesterday on their way to the East Coast. Mrs. Hunter and Miss Edith will have charge of the schools at Jensen, while Miss Susie Hunter will teach at Titusville. Both mother and daughters are thorough instructors and have many friends in Alachua county, where they have been engaged in teaching. Mrs. Hunter was secured for the Gainesville Graded and High School for the coming year, but owing to the abandoning of the Seminary, depriving her children of its advantages, preferred the school at Jensen at a larger salary.

Among those who paid the county capital a visit yesterday was M. Forman of Alachua, one of the prominent residents of that section. Mr. Forman was recently married to Mrs. L. L. Sanders of that place, and announces that he is now enjoying a state of conjugal bliss which will never be broken until death. Mr. Forman formerly resided here and has many friends who will be glad to know that his married life is a happy one.

A Romantic Marriage.

A rather romantic but pleasant wedding occurred at the Magnolia Hotel in this city Wednesday, Rev. S. W. Rogers of the First Baptist Church officiating. The contracting parties were J. W. Lawson of Williston and Miss Lillie Belle Most of LaCrosse, who came to Gainesville to meet her intended for matrimonial purposes. Both are popular young people, and while their marriage may come as a surprise, friends will nevertheless extend hearty congratulations.

Is It Right?

Is it right that a property-owner should lose \$4.20 to let a dealer make 50 cents? A dealer makes 50 cents more on fourteen gallons of ready-for-use paint, at \$1.50 per gallon, than our agent does on eight gallons of L. & M. paint and six gallons of linseed oil, which make fourteen gallons of the best paint in the world, at \$1.20 per gallon; the property-owner loses just \$4.20. Is it right?

It only requires 4 gallons of L. & M. and 3 gallons linseed oil to paint a moderate sized house.

Ten thousand churches painted with Longman & Martinez L. & M. paint. Liberal quantity given to churches when bought from B. J. Thompson of Gainesville or J. C. Bishop of
